**Subject:** WINTER BIRTHDAY'S/SUPER BOWL/CHINESE NEW YEAR

Della has handed over her crown as the Drug Lab Impresario and we in Grand Central Station have been given the honors this year. We really liked the idea of the "seasonal" birthday celebrations and would like to keep with that tradition.

Of course now we have to celebrate the Winter birthdays which would be : Kevin, Shirley, Michael, & Dan.

As we did last year we are going to celebrate around the birthdays, super bowl, and Chinese New Years. The party will be on Wednesday, February 1st and we will order Chinese food lunch plates. The most convenient place is the Imperial Kitchen in Roslindale. I will pick up a menu with current prices and post it. I would like to pre order the plates on Tuesday afternoon so have your order and \$ in then. What ever your choice costs I will ask you to round up to the next dollar and add \$2.00 so that we can cover tax and purchase dessert and drinks. If you don't want Chinese food then you can contribute \$2.00 to the drinks and desserts. Also, if you want your plate without MSG please let me know.

Thanks,  
Nicole
